

SIMONE VINCENT

Simone Vincent, DNP, ARNP, joined the Board of Trustees in 2022 and serves as the Chair of the Quality and Safety Committee. Simone is a Nurse Practitioner with a Doctor of Nursing Practice. She joined the Swedish Hospital Medicine (SHM) team in 2014, where she is the SHM Advanced Practice Clinician (APC) Medical Director. She also is an APC Medical Director for the Swedish system, working to enhance and improve APC practice.

Simone developed a formalized APC onboarding program for the Hospital Medicine team with notable improvement in APC satisfaction, retention, and clinical performance. She then developed a successful APC onboarding program for all Swedish new APCs. Simone strives to foster an environment of intellectual growth while promoting inclusivity and a culture of excellence. She is passionate about process improvement, supporting clinicians, and providing patient centered care with compassion and grace. Simone was raised in New Mexico where her family was intensely integrated in the art community. She and her family lived in Arita, Japan with a National Living Cultural Treasure while her father studied traditional methods of porcelain pottery, which he later developed into the first such porcelain program in the states. In college, Simone was a dual sport, Division 1 athlete, American Women's Sports Federation First Team All-American, and member of a U.S. National Basketball team. She remains active and supportive of youth sports. Her other interests include gardening, pottery, reading, and the outdoors. She resides in Maple Valley with her family.
