

Swedish Ballard
Amenities

Welcome to Swedish

About the **Ballard campus**

In between the cafes, restaurants, boutiques, and health clubs you'll find a truly world class comprehensive medical center right here in the neighborhood that offers a broad range of health services, including:

- An expanded, redesigned, patient-centered emergency department
- A state-of-the art Childbirth Center with the choice of delivery by OB/GYN, family physician, or certified nurse-midwife
- A wide range of surgical procedures
- A comprehensive group of medical specialists and services right next door to the hospital in the Tallman Building
- The Swedish Cancer Institute Radiation Treatment Center

Here are some of the highlights:

Emergency Services Our state-of-the art Emergency Department sets the standard for emergency care. Say goodbye to long waits in the waiting room. If you have a walk-in emergency, you'll be immediately escorted to a private treatment room where a care team will evaluate you and start treatment if indicated.

Imaging Center You'll find most imaging services — including an MRI, a 16-slice CT, ultrasound and X-ray services — in one location. Mammography and bone density scans (DEXA) services are located on the second floor of the main hospital building in the Women's Imaging Center.

Primary Care If you're looking for a primary-care doc for your young children or adolescents, or for yourself, we can take care of you. Our primary-care services include pediatric and adolescent care, annual physicals, family, geriatric and internal medicine, and diabetes care. We even offer Saturday appointments.

OB/GYN specialists and Midwifery & Women's Health You'll find complete obstetrical and gynecological services for women from adolescence through menopause. Women with low-risk pregnancies can also choose a certified nurse-midwife to provide care during pregnancy, birth and the postpartum period.

Orthopedic Specialists of Seattle, Ballard Whether it's your foot, knee, hip, wrist, elbow or shoulder, this group of specialists can help you. They cover all facets of orthopedic services from Sports Medicine to arthroscopic and joint-replacement surgery.

Cancer diagnosis and treatment Swedish Ballard offers a wide range of cancer services including breast and colon cancer screening, as well as comprehensive outpatient medical and radiation treatment services. The Swedish Cancer Institute Radiation Treatment Center (RTC), located at the Ballard campus, is the first in the Seattle metropolitan area to offer the TomoTherapy® Hi-art® radiation treatment system, which provides highly focused radiation therapy with unprecedented accuracy.

The services at **Swedish**

Café and espresso

The Dockside Café offers healthy choices for breakfast, lunch and dinner and is open daily from 7 a.m. to 7 p.m. Located on the hospital's first floor, the cafe features homemade soups, sandwiches, salads and daily specials. Visitors can also enjoy extensive dining options via our à la Carte Dining Service available from 7 a.m. to 8 p.m. - just call **ext. 3-3333** from any internal phone.

Gift shop, cash machine

Be sure to stop by our gift shop for flowers or the perfect gift. It's located on the second floor near the B elevators. You'll find a cash machine on the first floor near the B elevators and newspaper stands just outside the main entrance and the Emergency Department.

Art collection

More than 100 works of art grace the walls of Swedish Ballard. This public art collection is a result of the hospital's commitment to providing a humanizing and enriching atmosphere for patients, visitors and staff, and is supported in part by donations.

Chapel, Chaplains

A chapel and meditation room are available on 3 North. Interdenominational Eucharistic services are held every Wednesday morning at 11 a.m. Chaplains are also available to patients and families in need of emotional support. To request a chaplain before 5 p.m. on weekdays, call **206-782-2700, ext. 35615**. After 5 p.m. and on weekends, call **206-386-6000**.

Health information

Free health information is available at the Swedish Ballard Health Resource Center (HRC), located on the second floor. For more information, call **206-781-6302**.
