The services at **Swedish**

Café 1910 and Starbucks

Named for the year that Swedish Hospital was founded, Café 1910 features a diverse menu and makes healthy eating the priority — there are no fryers or soda machines. Instead

you'll find Wood Stone oven pizza, a wok station, Taqueria and grill, and fresh, made-to-order salads. The Café is open Monday-Friday, 6:30 a.m.-2 p.m. Patients and family members may order from our Room Service menu available daily from 7 a.m.-8 p.m. by calling **425-313-4222**. Your meal will be delivered to the patient room, but you may choose to enjoy it in any of the beautiful family reception and gathering areas around campus.

Starbucks is open Monday-Friday, 6 a.m.-7 p.m. and Saturday-Sunday, 7 a.m.-4 p.m. Choose your favorite espresso beverage or food from a selection of tasty treats and meal options. Café 1910 and Starbucks are located on the first floor, in the main lobby.

Cash machine

There is an ATM machine on the first floor in the hallway behind Starbucks, next to the vending machines.

Pharmacy

The Swedish Issaquah Pharmacy can assist with all of your outpatient medication needs. It is located on the first floor. The pharmacy is open Monday-Friday, 9 a.m.-5:30 p.m. **Call 425-313-5200** to fill a prescription or speak with a pharmacist.

Spiritual Care

Find a moment of quiet solitude in our campus chapel, located on the main floor across from the Shops. Spiritual Care chaplains are available for patients and families needing emotional support. To request chaplain services, call **425-313-7750**, Monday-Friday, 8 a.m.-noon. After noon, please call the **operator at 425-313-4000** and ask to page the on-call chaplain.

Art collection

Swedish Issaquah is proud to feature the work of more than 115 local artists, each contributing to our healing environment. This public art collection is a result of the hospital's commitment to providing a humanizing and enriching atmosphere for patients, visitors and staff, and is supported in part by donations. The reason for the artwork is simple: art heals.
